

CONNECTING PEOPLE THROUGH NEWS

THOUSANDS OF NEWSPAPERS AND MAGAZINES

PressReader

- * PressReader is an eResource that offers you unlimited streaming access to over 7,000 newspapers and magazines in different languages from all over the world.
- * You don't have to return issues so don't worry about late fees!
 - * 8,400+ hotspots
 - * 7,000+ publications
 - * 120+ countries
 - * 60+ languages

Access & Authentication

Gift Authentication

- * Enable the “Gift Authentication” to get gifted streaming and downloading access when you enter a business or building that is a hotspot!

- * You can enable it in the “Publication” section of the app on any mobile device using the app.

Download vs. Stream

- * PressReaders gives you two different ways to read your newspapers and magazines.
 1. Stream: Select the article and read it will connected to the internet and a hotspot
 2. Download: download the article to your mobile device while you are connected to the internet. You can take these articles and read them when disconnected.

Devices & Apps

- * To download issues from PressReader, you need to be using the PressReader app on a mobile device.
- * The app is available for download for FREE for Android, iOS and Windows devices.
- * There is no limit to how many issues you can download
- * Downloads are free in hotspots or outside of hotspots with a library card.

HotSpots

- * Free unlimited streaming access starts as soon as you enter a hotspot
- * PressReader has over 8,000 hotspots world wide and among them are all of the libraries within the Peace Library System
- * Both the website and the app offer a section called “Hotspot Map” to help you find the closest spot, whether it’s a library, a hotel or a business!

My Account

- * An account on PressReader allows you to create bookmarks for articles that interest you, get automatic downloads of the new issues from your favourite publications, set alerts for topics and categories and to post comments and participate in opinion/trends threads.

Search & Browse

- A. You can use the search bar on the top right to look for keywords.
- B. You can use the **Publications** section from the menu on the top left to choose a country, language, category or publication type. Your saved publications will also appear when you select the arrow beside **Publications**.
- C. You can use **Topics** to flag keywords in articles. If you want to know more about the European Union than you can create a topic called **EU** or **European Union**.
- D. You can use **Opinion Trends** to see what people in your area are reading and thinking about

Toolbar & Features

- * Beside each article there will be a button that looks like this: 
- * Select it to switch how the article is displayed, add a comment, bookmark, have the article read aloud, share it on social media, copy the article, print it, translate it and vote the article up or down.

My Collection

- * Select **My Collection** from your account. Select your name on the top right and choose **My Channel** where you will find your collection on the left panel.
- * To add articles to your collection, select the 9-dotted square and select **Save to Collection**. You can select what collection title you want them to go under.
